

BACK 2 SCHOOL DRIVE

A drive offering hope

Many local families are struggling as a result of today's challenging economic times. Electric Supply wants to offer hope and assistance to these families.

Help us collect **backpacks** and **school supplies** for a needy child going back to school this fall.

We also accept cash, checks or gift cards to Target or Wal-Mart. \$50 would provide a fully stocked backpack to one child. Please make checks payable to Electric Supply, Inc.

Thank you for your donations!
